INTRODUCTION

Problem

Bootcamp students often get stuck on tasks or have questions that arise outside of class time. Traditionally, they have to wait for the next class or spend hours searching online to find answers.

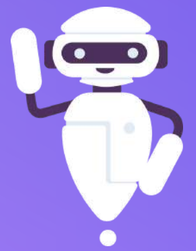
Solution

Our solution is a chatbot specifically designed for this bootcamp.

DATA

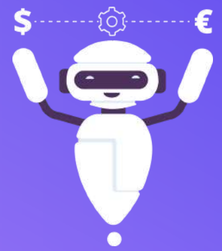
PROJECT SCOPE

PROJECT OBJECTIVES



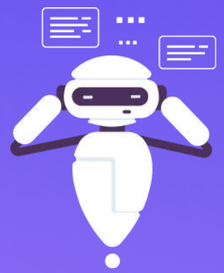
OBJECTIVE 01

Reduce time spent of searching for answers



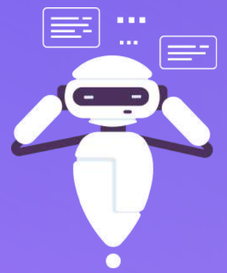
OBJECTIVE 02

Promote self-directed learning



OBJECTIVE 03

Increase efficiency in content delivery



OBJECTIVE 04

Identify knowledge gaps
